••• PROGRAM •••

Speakers:
ARRI: Eric Johnston Sales Coordinator and George Schmidt, Service Manager ARRI
AATON: Jesse Rosen and Mitch Gross from Abel Cine Tech

A number of new film cameras have recently been introduced to the market and Kodak has brought on line new film stocks making film much more useful for many situations.
ARRI, Inc. will demonstrate ARRI’s two newest film cameras; the 35mm 235 and Super 16mm 416.
Aaton will show the Super16mm XTRprod2 System.
If you are a Cinematographer or a member of Local 600 this is a good opportunity to interact with the camera maunufacturers and distibutors and ask them why film is NOT dead.
